

A compendium of IAPA resources for topics covered in this issue. IAPA offers a wealth of information, products and services on many topics and issues. For information on additional IAPA resources, visit [www.iapa.ca](http://www.iapa.ca), or call 1.800.406.IAPA (4272).

## 25 Risk Assessment Errors (p. 22)

### TRAINING

- **Contractor Health and Safety in Ontario** (1-hour e-course): [www.iapa.ca/Catalog/ProductDetails.aspx?id=444](http://www.iapa.ca/Catalog/ProductDetails.aspx?id=444) • **Conveyor Safeguarding** (half day): [www.iapa.ca/Catalog/EventDetails.aspx?id=108](http://www.iapa.ca/Catalog/EventDetails.aspx?id=108) • **Hiring Outside Contractors** (half day): [www.iapa.ca/Catalog/EventDetails.aspx?id=119](http://www.iapa.ca/Catalog/EventDetails.aspx?id=119) • **Interlocking Devices: Selection and Use** (1-day): [www.iapa.ca/Catalog/EventDetails.aspx?id=111](http://www.iapa.ca/Catalog/EventDetails.aspx?id=111) • **Managing Safety of On-Site Contractors** (1/2-day): [www.iapa.ca/Catalog/EventDetails.aspx?id=406](http://www.iapa.ca/Catalog/EventDetails.aspx?id=406) • **Safeguarding of Machinery - CSA standard Z432-04** (1-day): [www.iapa.ca/Catalog/EventDetails.aspx?id=86](http://www.iapa.ca/Catalog/EventDetails.aspx?id=86)

### DOWNLOADS

- **Workbook for Designated Substance Assessments**: [www.iapa.ca/Main/resources/resources\\_downloads.aspx#hazard](http://www.iapa.ca/Main/resources/resources_downloads.aspx#hazard)
- **Workplace Hazard Assessment Form**: [www.iapa.ca/Main/resources/resources\\_downloads.aspx - certification](http://www.iapa.ca/Main/resources/resources_downloads.aspx - certification)

### CONSULTING

- **targeted assessments** focusing on specific issues, e.g., ergonomic, environmental, chemical exposure, machine guarding, etc. • **gap analyses** • multi-faceted, organization-wide **risk assessment** • developing a CSA Z1000 or OHSAS 18001/**managed system implementation plan**: [www.iapa.ca/Main/Catalog/catalogue\\_consulting.aspx](http://www.iapa.ca/Main/Catalog/catalogue_consulting.aspx)

## Profiting from Participatory Ergonomics (p. 28)

### TRAINING

- **Building an MSD Prevention Program** (4 1/2 day modules delivered on site): [www.iapa.ca/Catalog/EventDetails.aspx?id=112](http://www.iapa.ca/Catalog/EventDetails.aspx?id=112)
- **Nuts and Bolts of Implementing an MSD Prevention Program** (1-day, public and on site): [www.iapa.ca/Catalog/eventdetails.aspx?id=114](http://www.iapa.ca/Catalog/eventdetails.aspx?id=114)
- **Practical Office Ergonomics** (on site only): [www.iapa.ca/Catalog/EventDetails.aspx?id=104](http://www.iapa.ca/Catalog/EventDetails.aspx?id=104)

### DOWNLOADS

- **Discomfort Survey, Ergonomics Hazard Checklist, Ergonomic Risk Assessment, Ergonomic Handbook for the Clothing Industry** and more: [www.iapa.ca/Main/resources/resources\\_downloads.aspx#erg](http://www.iapa.ca/Main/resources/resources_downloads.aspx#erg) • **Musculoskeletal Disorders (MSD) Prevention Series** (3 parts): [www.iapa.ca/Search/SearchResults.aspx?mode=keyword&value=risk%20assessment](http://www.iapa.ca/Search/SearchResults.aspx?mode=keyword&value=risk%20assessment)

### CONSULTING

- **implementing an ergonomics program**, including ergonomics assessments, physical demands analysis (PDAs), and job task analysis: [www.iapa.ca/Main/Catalog/catalogue\\_consulting.aspx](http://www.iapa.ca/Main/Catalog/catalogue_consulting.aspx)

## Research Report Machine Guarding (p. 40)

### TRAINING

- 2009 IAPA/CSA **Machine Safety Conference**, June 2-3, Mississauga: [www.iapa.ca/Main/Events/csa\\_events.aspx#conf](http://www.iapa.ca/Main/Events/csa_events.aspx#conf) • **Interlocking Devices: Selection and Use** (1-day): [www.iapa.ca/Catalog/eventdetails.aspx?id=111](http://www.iapa.ca/Catalog/eventdetails.aspx?id=111) • **Safeguarding of Machinery - CSA standard Z432-04** (1-day, also available on site): [www.iapa.ca/Catalog/eventdetails.aspx?id=86](http://www.iapa.ca/Catalog/eventdetails.aspx?id=86)

### DOWNLOADS

- **Lockout, Preventive Maintenance, Abrasive Grinding Wheels** and more: [www.iapa.ca/Main/Resources/resources\\_downloads.aspx#hazard](http://www.iapa.ca/Main/Resources/resources_downloads.aspx#hazard)

### CONSULTING

- **machine guarding assessments**: [www.iapa.ca/main/catalog/catalogue\\_consulting.aspx](http://www.iapa.ca/main/catalog/catalogue_consulting.aspx)
