

Maureen Shaw, Director,
IAPA Personnel

The IAPA is a dynamic partner for the IRSST, as reflected by the extension of a cooperation agreement last fall to support and intensify new or current initiatives, in order to provide workplaces with better-adapted products, services, training and results.

We are heading in the same direction, even though we may sometime take different paths. However, our goal remains the same, namely, to improve the health and safety of workers. This noble cause should be defended whenever the opportunity arises, which is why the IRSST wants to be part of the celebrations surrounding the 90th anniversary of our Ontario partner.

By marking your anniversary, we are celebrating our common concern. From our vantage point of one half century of existence, we are able to appreciate the wealth of experience that an organization like yours has acquired over almost an entire century.

The IRSST's personnel would like join all those individuals and organizations extending their best wishes to the personnel and management of the IAPA for a very happy anniversary.

May our paths continue to cross in the coming years.

All the best,

Diane Gaudet, President and CEO,
On Behalf of IRSST Personnel and Management
