

Networking & Knowledge Exchange

The Health & Safety Ontario partners invite you to attend the local Networking & Knowledge Exchange meetings held throughout the year across Ontario. These facilitated discussions provide an opportunity for health & safety professionals to share ideas and best practices. You'll also learn about auditing methods, OH&S benchmarking tools and products, programs and services available to continually improve your health & safety program.

Networking & Knowledge Exchange

LOCATION	CHAPTER	DATE	TIME	PROPOSED TOPIC
Woodstock	Thames Valley	May 4	8:30 am – 10:30 am	Due Diligence & Record Keeping (170287)
Woodstock area TBD	Thames Valley	June 1	8:30 am – 10:30 am	Machines, Tools, & Equipment (170288)

By attending our networking sessions you will:

- Learn about health & safety issues that are pertinent to your workplace
- Stay up to date with new/revised legal requirements
- Meet with local companies to share best practices and learn from others

If you still have unanswered questions after the meeting, our consulting staff will be happy to visit you at your workplace and provide health and safety related information, assess your program needs and make recommendations for improvement. Confidentiality takes top priority while discussing your health & safety needs.

To register, call 1 877 494 9777 or email customercare@wsps.ca
