

You may be struck by these facts!

Do you know your legal obligations?

Not complying with the law can result in injuries, illnesses and deaths as well as:

- Compliance and stop work orders
- Prosecutions
- Fines
- Imprisonment

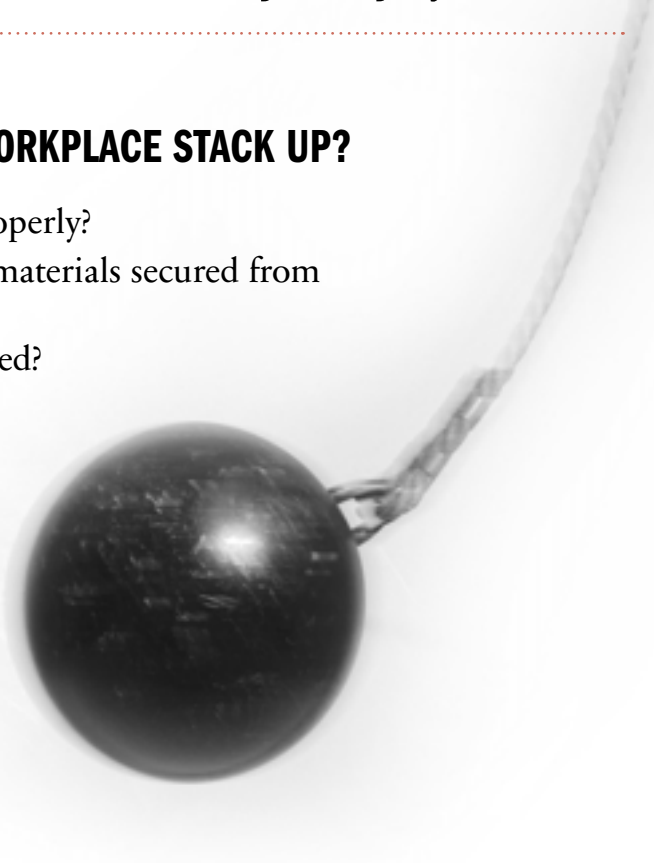

- ▶ Over **7,000** workers are struck and injured by objects every year.
- ▶ Being struck by objects is the **second most frequent cause** of on-the-job injury.*

GETTING STARTED HOW DOES YOUR WORKPLACE STACK UP?

- Is shielding and/or barriers in place and used properly?
- Are adequate storage facilities provided and are materials secured from falling?
- Are good housekeeping standards set and followed?
- Are workers trained before they're on the job?
- Are written job procedures available to, understood, and followed by workers?
- Is required personal protective equipment in good repair and used properly?
- Are incidents and injuries investigated to find and eliminate the root cause?

If you are unsure or answer "NO" to any of the above questions, get help.
